

Archived documents for “Purported open letter from Wang Lijun”

Li Yinhe’s note:

I don’t know the whole situation so I cannot judge it, but I am just putting Wang Lijun’s own one-sided statement out there.

Wang Lijun’s open letter to the whole world:

When everyone sees this letter, I’ll either be dead or have lost my freedom. I want to explain to the whole world the reasons behind my actions. In short: I don’t want to see the Party’s biggest hypocrite Bo Xilai carry on performing: When such evil officials ruling the state, it will lead to calamity for China and disaster for our nation.

Bo Xilai’s “Singing Red Songs” is a farce, a show designed specifically to gain him entrance to the Standing Committee. This is Bo Xilai’s “Cultural Revolution”! He is a despot who makes arbitrary decisions, hateful and ruthless. If you going along with him you’ll prosper, go against him and you’ll perish. He always forces his subordinates to use any means possible to do all kinds of unspeakable things on his behalf. If you don’t comply you are dealt with ruthlessly. He treats people like chewing gum: after a little chew, he just throws you away, and he doesn’t care whose fit you ender up under.

He is really the *capo di tutti capi*. He has taken over the Party, the people and the whole city of Chongqing, and turned it into his personal fiefdom. His personality is such that he will not give up the goal of become the top mob boss of China and to achieve this goal he is willing to do anything.

Bo Xilai has the reputation of being honest and upright, but he is actually corrupt to the core, conniving at his family members getting outrageously rich. I have documented these matters, and have already submitted reports to the relevant parties and I also ask that friends abroad help to circulate this letter to the world. I also hope to one day use these materials to publish a book. Bo Xilai has ruthlessly fought his way to the top, as you can see from his struggling against his own father in the Cultural Revolution, and the way he has treated his brothers and sisters, and his ex-wife. I was willing to risk my life on his behalf, and he treated me worse than he’d treat a dog. When I first refused to his dirty work, he had my driver and other people taken away, as a threat to me.

Well, a gentleman prefers death over humiliation! I am not a hero; I am willing to give my sweat and blood for the people, but I am no longer quietly cry while working under the thumb of such an evil man. Everybody's got to die, I am willing to use my life to expose the Bo Xilai. For the sake of ridding the Chinese system of this scourge on the people, this brazen careerist, I am willing to sacrifice everything!

因不了解事件全部情况，无法置评，只是先把王立军的一面之词公布一下：
我给全世界的公开信：

当大家看到这封信的时候，我或许已不在人世或许已失去了自由。我想向全世界解释一下我做这一切的原因。归根结底是一条：我不希望看到党内最大的伪君子薄熙来能再继续表演下去，如果这样的奸臣当道，这将是未来中国最大的不幸和民族的灾难。

薄熙来”唱红打黑”的闹剧完全是为了他企图进入常委的做秀。这是薄熙来的”文化大革命”！他专制武断，心狠手辣，顺我者昌，逆我者亡。他一直强迫包括我在内的下级用各种手段，为他干各种不可想象的事。稍有不从，马上下狠手处置。他把所有人当成是口香糖，嚼完了随便一丢，不管沾在谁脚底。他才是最大的黑社会老大。他已把整个重庆从党和人民的天下变成了他一人的家天下。按他的性格，当不上中国的老大是不会罢休的，为达到这个目的他会不择手段。薄熙来号称清廉，但实际既贪又色，纵容家人大肆敛财，数额惊人。有关情况，我掌握了大量材料，已向有关方面检举，也委托了我国外朋友在适当时候在公布这封信后逐步公布于世！

我也希望能够用这些材料有朝一日出书。

薄熙来无情无义到了极致，从他文革中斗父亲，对待兄弟姐妹和对待前妻就可以看出。我为他两肋插刀，但他对我连条狗都不如，当我不愿再为他做脏事趟混水时，竟然把我身边司机等抓走来威胁我。士可杀不可辱！我本不是什么英雄，我愿意为人民流血流汗，但不再愿意再为叹息在这么一个坏人手下工作悄悄流泪！人终有一死，我愿意用生命来揭露薄熙来，为中国的体制中少掉这么一个会祸害中华民族的野心家献出一切！

[杂谈](#)

昨天夜晚，相信很多网友和我一样，拼命刷屏人民网。我估计这是人民网第一次迎接来这么多真正的人民。刷屏的目的只为了三个字，王立军。

宫廷大戏一出，我这样的民间闹剧就相形见绌。在这次闹剧中，由于我猪一样的发挥，深感愧对观众。没有想到王立军出现了，而主人公又去了美国大使馆，这就是美剧了。再次回头看看自己扮演的国产连续剧，真的太小儿科了。这又让我突然想到了常年在各个县城参加拉力赛发车时的情景。因为我是种子车手，所以都是县里的领导给我发车，但到了第二年，主持人喊着一样的头衔，出现的却是不一样的脸。发车过程结束以后，伴随着主持人的一句“请领导下台”，我注视领导的背影，感慨万千。当然这其中有所升迁的有所栽的，而重庆具体发生了什么，在这种政治八卦里，我们终究是看不清楚的。大路消息深藏不露，人民网

不仁，我就只能顺着小道一路攀爬，拼凑出了个大概。在这个过程中，我代入了王立军同志的内心，得出了一个字，累。中国的官员本身就是极其分裂的，他们上午进会场，晚上进会所，一方面要学习和领会六十年代风格的文件，一方面又要在互联网上仔细分辨微博和QQ的区别，而他们在批评美国的同时也要精确的知道美领馆的位置。在这里，你读不懂中国。我由衷的替他们觉得辛苦。今天只是跟了一个晚上的重庆美剧，过程跌宕起伏，消息层出不穷，连我都觉得需要休假式治疗了，何况当事人王立军，估计已经休克了。

所以我不明白，中国的官员们究竟是怎么想的。很多人都想当官，这是肯定的，尤其是当了大官，想做生意的时候根本不用像吴英那样自己想办法筹钱，最后还换个死刑，只需要安排一个亲属，垄断一块资源，致电一下银行。官员做到了一定的程度，上上下下都不是我们普通人可以理解的，因为上海大火而辞职的官员很快就可以去新疆当官，好在不是被派往克拉玛依。今天能调动舆论机构的，明天就成负面新闻，今天能开动国家机器的，明天就被国家机器带走。对于官员，大家已经不再用腐败和清廉来形容了，只有得势和失宠。而大家也不知道重庆将要发生些什么，尽管这个城市刚刚去香港唱过红，而在此之前，香港人只听过张国荣唱的《红》。

这次的破朔迷离，让我知道未来的中国，其实不需要预想一个什么颜色，红也好，蓝也好，都抵不过透明。
