The definition of a ‘community of shared destiny’ in this article (first published in the Party journal Party Construction党建) was provided by Cong Bin, Vice-Chairman of the Central Committee of the Jiusan Society (‘September Third Society’), one of eight legally recognised minor political parties under the leadership of the Chinese Communist Party. In using Cong’s endorsement of the ‘China Dream’, the state media sought to demonstrate unanimous commitment to Xi Jinping’s vision. The article and Cong’ definition of the China Dream were reproduced on numerous websites.
